

NSTX-U / Magnetic Fusion Science Meeting

Dec. 21, 2020

Some upcoming events

- Jan. 24-29, 2021 (virtual), Int. Conf. on Plasma Surface Interactions
- May 10-15, 2021 (**virtual**), IAEA-FEC
 - April 9, 2021: Conference “pre-prints” due
 - May 31, 2021: Nuclear Fusion manuscripts due
 - **Please be prepared to provide a couple paragraphs + figure for NSTX-U Research Overview paper and poster** (talk is rapporteured)
 - Should be work that’s new since FEC 2018 as published in Kaye et al. Nucl. Fusion 59, 112007 (2019): <https://doi.org/10.1088/1741-4326/ab023a>
- NSTX-U collaborators - we intend to schedule ~15 minute talks in the near future (~Jan/Feb 2021) for collaborators to briefly summarize their plans, schedules and needs
