

Research Updates

- NSTX-U researchers (PPPL) expected to be invited back for ~1 day/wk on 3/21
 - Collaborators on 4/4
 - Need negative PCR test before granted access
 - Can pick up and drop off at front gate; other proof also ok (local pharmacy results)
 - Will need to fill out health checklist daily before coming in (good only for 1 entry/1 exit)
- Domestic travel increasingly being approved (meetings)
 - JEM requested that requests go through and be consolidated by Dept Head (me) for his approval
- White House (OSTP/DOE) sponsoring Bold Decadal Vision for Fusion webinar on March 17
 - Livestreaming from OSTP website
 - Starts at 10 AM
