

# NSTX-U / Magnetic Fusion Science updates

New information  
in red

- November 14, 2025 (virtual) INFUSE workshop
- November 15-17, 2024 (Philadelphia, PA) APS Mid-Atlantic
- December 9-13, 2024 (Nagoya, Japan) ITER International School "Magnetic fusion diagnostics and data science"
  
- January 20-23, 2025 (Santiago, Chile) Latin American Workshop on Plasma Physics
- March 17-21, 2025 (Seville, Spain) IAEA Technical Meeting on Energetic Particles in Magnetic Confinement Fusion
- **March 18, 2025 (online) Open Source Software for Fusion Energy Conference**
- **April 7-9, 2025 (New York, NY) International Sherwood Fusion Theory Conference**
- April 7-10, 2025 (Prague, Czechia) European Conference on Plasma Diagnostics
- **May 19-23, 2025 (Ljubljana, Slovenia) 20th International Conference on Plasma-Facing Materials and Components for Fusion Applications**
- June 23-27, 2025 (Cambridge, MA) IEEE Symposium on Fusion Engineering (SOFE) (**abstracts: January 15th**)
- July 7-11, 2025 (Vilnius, Lithuania) EPS Conference on Plasma Physics
- **July 14-24, 2025 (Culham, UK) Culham Plasma Physics Summer School**
- **September 9-11, 2025 (Berkeley, CA) 28th International Conference on Numerical Simulation of Plasmas**
- November 17-21, 2025 (Long Beach, CA) APS
