

NSTX-U / Magnetic Fusion Science updates

New information in red

- January 20-23, 2025 (Santiago, Chile) Latin American Workshop on Plasma Physics
 - March 17-21, 2025 (Seville, Spain) IAEA Technical Meeting on Energetic Particles in Magnetic Confinement Fusion
 - March 18, 2025 (online) Open Source Software for Fusion Energy Conference
 - April 7-9, 2025 (New York, NY) International Sherwood Fusion Theory Conference
 - April 7-10, 2025 (Prague, Czechia) European Conference on Plasma Diagnostics (abstracts: December 22nd)
 - May 19-22, 2025 (Schloss Hohenkammer, Germany) 25th Topical Conference on Radio Frequency Power in Plasmas
 - May 19-23, 2025 (Ljubljana, Slovenia) 20th International Conference on Plasma-Facing Materials and Components for Fusion Applications
 - June 22-27, 2025 (Madrid, Spain) 16th Nuclear Data for Science and Technology Conference
 - June 23-27, 2025 (Cambridge, MA) IEEE Symposium on Fusion Engineering (SOFE) (abstracts: January 15th)
 - July 7-11, 2025 (Vilnius, Lithuania) EPS Conference on Plasma Physics
 - July 14-24, 2025 (Culham, UK) Culham Plasma Physics Summer School
 - September 9-11, 2025 (Berkeley, CA) 28th International Conference on Numerical Simulation of Plasmas
 - September 21-26, 2025 (Fukuoka, Japan) AAPPS-DPP
 - October 13-18, 2025 (Chengdu, China) 30th IAEA Fusion Energy Conference (synopses (US): January 16th)
 - November 17-21, 2025 (Long Beach, CA) APS
-
- May 17-22, 2026 (Regensburg, Germany) Plasma Surface Interactions (PSI)
 - June 29 - July 3, 2026 (Edinburgh, Scotland) EPS Conference on Plasma Physics
